INTRODUCTION

The Fairhills High School Year 9 Handbook has been developed to assist and inform all Year 9 students, parents/carers and staff. All the relevant policies, procedures and requirements specific to Year 9 are outlined within this handbook. Students and parents are asked to read and familiarise themselves with the contents of this handbook. The handbook and other essential information and forms are located on the Fairhills High School website <https://fairhillshs.vic.edu.au/>

At Fairhills High School, Year 9 is the beginning of students' senior journey. It is an extremely important year as it gives each student the ability to select subjects that are of interest to them and make supported decisions on Year 11 and 12 pathways. Year 9 is an opportunity for students to consolidate and build on skills and knowledge essential for a successful VCE or VCAL program.

Students who have success in Year 9:

- Hard working in all areas of school life
- Attend school well over 95% of the time
- Set and review meaningful pathway goals
- Ask for help and use available supports
- Seek and respond positively to feedback
- Create strong and respectful relations with others
- Maintain a positive, healthy school and life balance

More specific details regarding Year 9 program, guidelines and practices will be available on the school website.

SCHOOL INFORMATION

The partnership between a school and home is essential in supporting students throughout their educational journey. Throughout the year there will be many opportunities to become involved. The school aims to have ongoing contact with home and we do this primarily through Compass.

Principal - Mr Ian Van Schie

Assistant Principal Middle School – Ms Silvana La Leggia

Oversees all school matters in the Middle School (Years 7 and 9)

Pedagogy and Curriculum Leader – Mr Peter Morgan

Oversees teacher pedagogy and curriculum in year 10.

Oversees Middle School teacher pedagogy and curriculum in years 7-10

Year 9 Team Leader – Mr Greg Baker

The Team Leader at each year level should be the first contact for most matters relating to courses, student wellbeing, attendance and conduct. A Team Leaders first and foremost priority is to support all students to have a positive approach to all areas of schooling life.

Other Contacts

Year 9 “Connect” subject teachers are an important support for students and assist them with their learning and broader skill development.

Individual subject teachers can be contacted directly about student progress.

The Student Wellbeing Team offers counselling and support to students on a wide range of concerns.

To speak with any of these staff, contact the General Office on (03) 9758 5022.

YEAR 9 COMPLETION

Year 9 is viewed as an important link for students moving from the middle school into the senior school. We aim to provide students with a broad, flexible, and engaging curriculum that gives them an opportunity for choice in the development of their courses of study.

Year 9 students are expected to demonstrate satisfactory progress in their learning across the curriculum and in particular the key core subjects of English and Mathematics. In order to progress into Year 10 students, need to satisfactorily complete a suitable number of units (core and elective) over both semesters of Year 9, demonstrate positive learning habits, school values and meet the attendance requirements. Individual student learning progress throughout each semester will be reviewed and pathway planning may become necessary for a student potentially not being able to meet these requirements.

COMPASS

Compass is the student learning and management system used by Fairhills High School at <https://fairhillshs-vic.compass.education/>

It is the key communication system the school uses to provide information to students and families. Parents/Carers need to ensure they:

1. are able to log in
2. provide current email details
3. log in at least once a week to check student timetable, notices, activities, attendance and assessment details
4. follow up with the appropriate school contact if there are any concerns/issues
5. refer to the school's IT Department for support with Compass technical issues or to check log in details
6. use the Compass system to provide consent and pay for events and school fees

MATERIALS & LAPTOP DEVICES

The required learning materials are on the booklist (see link below) and it is essential that students take their textbooks and materials to every class as required.

<https://fairhillshs.vic.edu.au/enrolment/booklists/>

Students are required to bring their laptops to classes as required by their subject teachers. Students must make sure their laptops are fully charged and in good working order each day. Student's experiencing technical difficulties with their school laptops need to promptly report the matter to the School's Technical Support Team at itsupport@fairhillshs.vic.edu.au

BEHAVIOURIAL EXPECTATIONS

Students are expected to conform to the behavioural expectations set out in the Fairhills High School Student Management Plan. Our school values of acting responsibly, building relationships and showing respect form the focus of expectations related to student behaviour, and all Year 9 students are expected to consistently demonstrate these values in their involvement with all staff and students.

Fairhills High School is fully committed to the School Wide Positive Behaviour Support (SWPBS) framework that brings together school communities to develop positive, safe, supportive learning cultures. As a SWPBS School we will implement the essential features of this approach to allow teachers and students more time to focus on relationships and classroom instruction.

MOBILE PHONES

The Mobile Phone policy directs that mobile phones brought to school are to be switched off and remain in lockers during the whole school day, including recess and lunchtime. Students who choose to bring mobile phones to school are required to securely store them in their lockers during school hours. Confiscation of a mobile phone seen in a student's possession will initially occur, with further consequences (including suspension) for repeated failure to follow the mobile phone policy.

When urgent contact is necessary, parents/carers are able to reach their child by calling the General Office any time during the school day.

ATTENDANCE/ABSENCE

100% attendance is compulsory for all students (unless an exemption has been granted). Daily attendance is important for all students to succeed in education and to ensure they do not fall behind both socially and developmentally. "Every day counts".

Parents/Carers must ensure that their child attends school at all times when the school is open for instruction.

For absences where there is no exemption in place, the parent/carer must promptly provide an explanation on each occasion to the school. The Principal will determine if the explanation provided is a reasonable excuse under the Education and Training Reform Act 2006 (Vic).

The school is required to record attendance in every class and must record, in writing, the reason given for each absence. This is necessary so that the school can meet legislative requirements, meet its duty of care to students and meet the Victorian Curriculum and Assessment Authority (VCAA) requirements. Students whose attendance is unsatisfactory may find that they are ineligible to pass the subject.

Students who fall below 90% attendance may be required to attend an attendance re-engagement meeting with their Team Leader and/or Assistant Principal.

PUNCTUALITY

Punctuality to each class is very important. Students are expected to arrive on time to each class with their necessary materials and laptop. Those who arrive late will be marked as late on the roll. Parents/carers are able to view their child's attendance and punctuality on Compass. Excessive lateness will be regarded as an absence and will impact on their unapproved absence rate.

BELL TIMES

Two different bell times run during the week:

- Monday and Thursday (includes House Group)
- Tuesday, Wednesday & Friday

	Monday & Thursday	Tuesday, Wednesday & Friday
Period 1	8.40am-9.39am	8.40am-9.39am

HOMEWORK

The School requests that parents/carers monitor and encourage their children to complete regular homework and study. Parents/carers are asked to assist in establishing a suitable environment for study and conditions conducive to completing homework. This is essential for all students in order to complete set tasks given by teachers, as well as catch up on incomplete or missed work. At the Year 9 level completing all work and consistent study (including revision) is a key to the successful completing CATs.

Students who complete homework to a high standard in Year 9 are better prepared for the rigours and workload demands of Year 10. Year 9 students can expect to spend between 1 to 2 hours of homework per weeknight, and further study on weekends during key assessment periods.

Students should also complete independent study in preparation for CATs and exams eg. summary notes, cue cards, practice test questions. It is essential that students create positive homework and study habits. These include:

- Removing all distractions eg. mobile phones/TVs
- Studying in chunks of 25 minutes
- Use of a study timetable

ASSESSMENT

Common Assessment Tasks (CATs) are specific tasks which assess a student's level of understanding and achievement for a particular topic/unit of work based on the requirements of each subject. All Year 9 subjects are aligned with the Victorian Curriculum and three or four CATs will form the basis of assessment for each subject. At the start of each unit teachers will provide students with a course outline which includes assessment dates and conditions for each task. CAT dates and results will be recorded on Compass within the subject's learning tasks.

To achieve a Satisfactory outcome for each CAT the student must:

- Produce work that meets the required standard
- Submit work on time
- Submit work that is clearly the student's own work
- Meets the Fairhills High School attendance requirements

A student may **not** receive a Satisfactory completion for a CAT if:

- Work is not of the required standard
- The student has failed to meet a school deadline for the assessment task, including where an extension of time has been granted for any reason, including special provision
- Work cannot be authenticated
- There has been a substantive breach of rules including school attendance requirements.

A student must achieve a result of 50% or above on a CAT to receive an Satisfactory for a given area of work in all subjects.

REPORTING

The school strongly encourages parents/carers to access Compass at least once a week to monitor their student's progress. Compass provides results of assessment and learning tasks throughout the semester, as well as attendance data. If a parent/carer has any concerns they should contact the subject teacher or Year 9 Team Leader immediately.

Subject reports will be made available electronically via Compass for each student at the end of each semester.

Students are assessed in each subject against the Victorian Curriculum. Students will be awarded a Satisfactory (S) or Non-satisfactory (N) overall result in each Year 9 subject based on their successful completion of the CATs over the course of the semester. The number of successfully completed subject units will form the basis of the discussion during pathway and promotion interviews.

CAT AND EXAM BREACHES

A “breach” is any infringement that gives a student an unfair or unreasonable advantage in terms of assessment. If there is an alleged breach of a CAT or Year 9 exam conditions a Year 9 panel will be created to investigate it. A Year 9 panel consists of:

- A member of the Principal Team
- Year 9 Team Leader
- Subject Teacher
- A parent may be involved (but not in an advocate role)

A Year 9 panel has the power to impose the following consequences:

- Award the CAT or exam an N
- The student to re-sit the task or complete a redemption task to receive an S
- If it is a second offence, (in any subject), the student will fail the subject

Breaches, (not an exhaustive list), which will result in disciplinary action are:

- Plagiarism
- Unauthorised use of technology
- Communicating with others
- Other breaches specified by the Senior School Assistant Principal

ABSENCE FROM A CAT

Students may not miss a CAT assessment session (including an exam) without approval. Approved absences may be granted for:

- An illness explained by a medical certificate
- An official school excursion
- An official sporting event
- Exceptional personal circumstances. Approval for these is given at the discretion of a Year 10 Team Leader.

If a student is absent for a CAT or exam they must:

1. Provide a medical certificate by handing it into the General Office within three working days of the assessment session
2. Complete the CAT/exam at a suitable time negotiated with the subject teacher.

A student will receive an unsatisfactory grade for the CAT if the above conditions are not met.

REDEMPTION PROCESS

If work submitted by a student for the assessment of a CAT does not meet the required standard for satisfactory outcome (ie. below 50%), the teacher/s of the subject will select a consistent approach from the following options:

1. Course work confirmation - The student can demonstrate an understanding of the outcome through completion of specified classwork and homework.
2. Student teacher conference - A student can verbally explain knowledge of the area. The teacher will also ask questions related to the area.
3. Identical or equivalent CAT - A teacher may require a student to re-sit a CAT or complete a similar CAT. The re-sit will be completed in a prompt manner. The teacher must make a time available to assist the student in preparing for the redemption of a CAT.

Students have a maximum of two weeks to redeem after being informed of their score on the original CAT. In exceptional circumstances an extension may be approved by the Senior School Assistant Principal.

AUTHENTICATION

It is the responsibility of each student to ensure that there are no difficulties in authenticating their work. It is important that students keep drafts and preparatory work that leads into the completion of a CAT as required. Teachers must monitor and record each student's development of an Assessment Task, from planning to drafting, through to completion. The process of monitoring the development of a CAT requires the teacher to regularly sight the work and record the progression. The process of authentication will differ from subject to subject, and from task to task.

CHANGE OF SUBJECTS

A change of subject should not be taken lightly, remembering the requirements of completing Year 9 successfully and moving into Year 10. Students must speak to their Year 9 Team Leader about plans to change electives. The student will be required to complete the change of subject form which must be signed by:

1. The student
2. Year 9 Team Leader
3. Parent

No subject changes can be made unless the form is completed and signed by all the required people.

The final days for change of subjects in 2024 are:

- Semester 1 - Friday 16 February
- Semester 2 - Friday 19 July

CURRICULUM

In Year 9, the core curriculum program of Years 7 and 8 shifts to a core and elective program. In addition to compulsory core subjects, students can choose electives from a broad range of subjects, including Technologies and The Arts. Students also take part in the Year 9 – Connect program building on the 21st Century skills developed in the year 7 and 8 Thrive program. Students collaborate in teams to evolve connect projects centred around community and societal issues with a heavy emphasis on hands-on learning and outdoor education camp experiences.

UNIFORM

The wearing of the school uniform is compulsory for all students and students are required to comply with the Fairhills High School Uniform Dress Code.

Students are required to wear their uniform neatly, respectably and correctly at all times including to and from the school and on all school excursions. The Fairhills High School uniform infringement process will apply to students who are out of uniform.

BULLYING PREVENTION

Fairhills High School is committed to providing a safe and respectful learning environment where bullying will not be tolerated. The School's long-term aim is to empower all students to be an Upstander. Fairhills High School has a very clear response to allegations of bullying using the Fairhills High School bullying response process. Students can report Anonymously via the Stymie app at www.stymie.com.au

APPENDICES – POLICIES AND PROCEDURES

Bullying Response Process

Fairhills High School Bullying Response Process

Bullying occurs when someone, or a group of people, deliberately and repeatedly upset, harass, intimidate, threaten or hurt another person or damage their property, reputation or social acceptance. It can be direct/indirect/physical/verbal and includes cyberbullying.

The Year Level Team Leader (YTL) will investigate any potential bullying issue in a timely manner

The YTL will speak to 1-3 and 4-5 if necessary:

1. The alleged victim(s): student(s) complete an incident report
2. Witnesses
3. The alleged perpetrator(s): student(s) complete an incident report
4. Relevant staff members e.g. Assistant Principal- students
5. Relevant external stakeholders e.g. Parents

If bullying has occurred the following factors need to be considered when determining a response (not an exhaustive list):

• Any element of provocation	• Impact on victim(s)	• Severity and frequency of the bullying
• Age and maturity of students	• Past behaviours	• Group or individual bullying

For further information please refer to the Bullying Prevention Policy on the school website
Documentation to be kept at all stages and transferred to Compass by the YTL

Fairhills High School Uniform Infringement Process

1. First Infringement

- Students warned and reminded of student dress code
- Warning entered on Compass
- Parents informed via a Uniform Level 1 email/notification infringement notice

2. Second Infringement

- Student issued lunch-time detention
- Parents informed via a Uniform Level 2 email/notification infringement notice
- If a student does not attend the lunch-time detention it will be escalated automatically to the next Level

3. Third Infringement

- Thursday after school detention issued
- Parents informed via a Uniform Level 3 email/notification infringement notice
- If a student does not attend the after-school detention it will be escalated automatically to the next level

4. Fourth Infringement

- Sub-school Leader (MSL/SSL)/Team leader (TL) to phone home to discuss uniform concerns
- Record on Compass

5. Fifth Infringement

- One day internal suspension issued by the Sub-School Leader /TL – Learning provided by teachers
- Parents informed via a Uniform Level 5 email/notification infringement notice

6. Sixth Infringement

- A Parent meeting/conversation with the Principal

The appropriate presentation of a parent note to the Team Leader (TL) at the start of the day and the issue of a uniform pass will ensure that a student does not receive an infringement

The note should explain:

- The reason for the uniform issue
- When it will be fixed (no longer than five working days).
- If there is financial hardship the school can assist.
- Anything else deemed important

The note is not for infringements like facial piercings or hair colouring but for shoes, jackets and other like clothing. The student needs to show the communication to the TL at the beginning of the day, who will give the student an "out of uniform authorisation pass."

"Inspiring and empowering members of our school community to achieve their full potential in an inclusive and supportive environment."

Student Management Plan

"Inspiring and empowering members of our school community to achieve their full potential in an inclusive and supportive environment."

Positive Classroom Behaviour Model – 4 -R Process

Level 1 – Remind/Re-direct Learning

- The teacher reminds the student of the expected behaviour and re-directs them in their learning

Level 2 – Relocate/Recall

- Move to another seat or outside the classroom for 2-3 minutes. Student will need to recall disengaged behaviour that led to relocate and be willing to follow classroom rules/agreement

Level 3 – Remove to another class

- Red card is used. Send a responsible student to the Main office to alert the office staff for the need for a removal in a specified class room.
- A member of the leadership team (as per the leadership schedule) will remove the student and escort them to an appropriate space and get them to fill out the restore and re-entry agreement
- Student works quietly in a senior class
- Classroom teacher records the removal and reason on Compass as a red post

Level 4 – Restore prior to returning to class

- Teacher and student meet and agree on expected behaviours for return. Documented by teacher on Compass.
- Students will be issued with the appropriate consequences as outlined in the FHS student management plan for major behaviours.
