Privacy Release

Updated: 16/11/2005

At Fairhills High School we celebrate the efforts of our students and community members by mentioning their participation in school events and their achievements in publicly available media.

On the school website there are images of students and community members but we only ever use group photographs and we never identify their name, only class and year number.

This privacy release gives the school specific permission to use details or images on our publicly available media. The signing of this form is entirely voluntary.

If you have any concerns about how photographs or information may be used by the school please contact Associate Principal Karen Dean on 9758 5022.
