

2022 FAIRHILLS HIGH SCHOOL STUDENT DRESS CODE

PURPOSE

The purpose of the Student Dress Code is to outline Fairhills School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Fairhills High School's School Council in close consultation with our school community via the Uniform Committee to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support the school's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

SCOPE

All students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending school activities.

All staff are expected to monitor and support students to comply with the student dress code.

PURCHASE OF UNIFORMS

Uniform items can be purchased from Buxwear which is open six days a week (closed Sunday). Buxwear is located at Factory 8/169 Cheltenham Rd, Dandenong.

The school will assist students who are experiencing financial disadvantage because of short-term crisis or long-term chronic need through the State School's Relief (SSR). SSR assistance will be provided by either direct supply of uniform items or uniform vouchers for redemption from school uniform suppliers. If parents/carers and students require support they should contact the student's team leader or Sub School leader directly.

The school also has uniforms available to families to borrow on request.

IMPLEMENTATION

Fairhills High School will ensure that this Student Dress Code and Uniform Infringement Process is communicated to the school community through Compass posts, our website, beginning of year inductions sessions and newsletters. We will assist students who may be experiencing difficulties complying with this policy where possible.

When students have repeated uniform infringement occurrence, the Principal may require parents/carers and the students to attend a meeting at the school. In this event, the school will continue to work with the student and family to support compliance.

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents/carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
