

**12/08/21**

Dear school community

The Premier has announced a one-week extension to lockdown.

Following advice from the Victorian Chief Health Officer, all Victorian schools will continue with remote and flexible learning until August 19. We hope students will be able to return onsite from August 20.

### **Remote Learning Program**

- Year 7-12 classes will continue to run as per FHS remote learning expectations.

**As with other remote learning periods, our school will provide on-site supervision for students in the following categories:**

Children where both parents and/or carers are authorised workers who cannot work from home, work for an essential provider and where no other supervision arrangements can be made:

- Where there are two parents/carers, both must be authorised workers, working outside the home in order for their children to be eligible for on-site provision
- For single parents/ carers, the authorised worker must be working outside the home in order for their children to be eligible for on-site provision.

Children experiencing vulnerability, including:

- children in out-of-home care
- children deemed vulnerable by a government agency, funded family or family violence service, and is assessed as requiring education and care outside the family home
- children identified by a school or early childhood service as vulnerable, including via referral from a government agency, or funded family or family violence service, homeless or youth justice service or mental health or other health service.

If your child requires on-site supervision, please contact the school via the school email [fairhills.hs@education.vic.gov.au](mailto:fairhills.hs@education.vic.gov.au) .

Kind regards

Ian Van Schie  
Principal
