

2026 STUDENT DRESS CODE POLICY		
Policy No: ES14	Version No: 3	
Ratified: 13/5/2020	Review Cycle: 1 year	Last Review: June 2025
Policy Owner: Principal		Approver: School Council

1. PURPOSE

The purpose of the Student Dress Code is to outline Fairhills School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Fairhills High School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community. Please see further information on Human Rights [here](#).

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support the school's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities.
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

2. SCOPE

All students are expected to comply with this Student Dress Code while traveling to and from school, during school hours and when attending all school activities.

All staff are expected to monitor and support students to comply with the student dress code.

3. PURCHASE OF UNIFORMS

Uniform items can be purchased from Bob Stewart, formerly Buxwear, which is open six days a week (closed Sunday). Bob Stewart is located at Factory 8/169 Cheltenham Rd, Dandenong.

The school will assist students who are experiencing financial disadvantage because of short-term crisis or long-term chronic need through the State School's Relief (SSR). SSR assistance will be provided by either direct supply of uniform items or uniform vouchers for redemption at Buxwear. If parents/carers and students require support, they should contact the relevant Team Leader or Sub School Assistant Principal directly. The school may also have uniform items available to borrow on request.

4. IMPLEMENTATION

Fairhills High School will ensure that this Student Dress Code and Uniform Infringement Process is communicated to the school community through Compass posts, the FHS website, Return to School Interviews and newsletters.

The school will assist students to comply with this policy when necessary.

When students have repeated uniform infringement occurrence, the principal may require parents/carers and the students to attend a meeting at the school.

5. EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents/carers may apply either in writing or in person to the principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then a written reason will be provided to the student and/or their parents or carers.

6. CONCERNS ABOUT THIS STUDENT DRESS CODE

Fairhills High School welcomes feedback from the school community in relation to this Student Dress Code. If you have a concern or complaint about the Student Dress Code, further information about raising a concern or complaint is available in our school's Parent Complaint Policy, available on our website.
