How to Access Compass

Compass is a web-based system that is accessible on any modern web browser (Chrome, Firefox, Safari etc).

Every family receives a separate login to our school's Compass site. This login information is provided to you by the school.

If you need assistance locating the Compass site link for our school, go to:

<http://schools.compass.edu.au>

You will then be able to search for our school and access the link.

How to Login

To login, you will require your unique family username and password. These details will be provided to you by the school however if you are yet to receive them, please contact the school office.

You will initially be provided with a temporary password that you will be prompted to update to one of your choosing when you login for the first time.

To login, go to your school's Compass site. Type in your username and password and click 'Sign in'.

The login page for Magic P-12 College features a shield-shaped logo on the left with a trophy and the school's name. To the right, there is a title 'Magic P-12 College' and two input fields for 'Username' and 'Password'. Below these is a 'Sign in' button, followed by Google and Facebook social login icons. A 'Remember me' checkbox is present, and a link for 'Can't access your account?' is at the bottom.

If it is the first time you are logging in, you will be required to confirm your email address and mobile number. These details may be used by the school for SMS/email communications and also, password recovery.

This page is titled 'Welcome to the Magic P-12 College Parent Portal'. It contains a paragraph explaining that the user's mobile phone number and email address will be used for school communications. Below this, the name 'Mrs Sable BROOKS' is displayed. There are two input fields labeled 'Mobile' and 'Email' for the user to provide their contact details.

Also when logging in for the first time, once you have confirmed your details, you will be required to change your temporary password to one of your choosing. When you have entered your new password, click 'Save'.

This page is titled 'Next, you will need to change your password'. It lists the requirements for a new password: it must not contain the username, not be a recently used password, be at least eight characters long, contain at least one uppercase letter, at least one lowercase letter, and at least one number. Below these requirements are two input fields for 'New Password:' and 'Confirm New Password:', each with a password strength icon. A 'Save' button is located at the bottom.

The Home Page

When logged in, you will be on the Home page. Here you will see different sections of key information.

The screenshot shows the home page of the Magic P-12 College Portal. At the top, there is a navigation bar with icons for home, calendar, pencil, grid, people, and star, followed by a 'Menu Icons' label. On the right, it says 'Mrs Sable BROOKS' with a user icon and a settings gear. The main content area is divided into several sections. On the left, under 'Welcome to the Magic P-12 College Portal', there is a message about keeping contact information up to date. Below this is the 'Child Information' section, which lists two children: Stephen CORNFOOT and Euan ABERCROMBIE. For each child, there are links to view their profile, send emails to teachers, add attendance notes, and view academic reports. On the right, there is a 'Compass' logo and a 'My News' section. This section contains several alerts: 'Order your MSP school photos' with a link to place an order, 'Course Confirmation/School Payments' with a link to proceed, 'Payments' with a link for more information, and 'Event Consent/Payment Required' with a link for more information. Below these alerts is a 'Newsletter' section mentioning a March newsletter by Liz Larson. At the bottom right, there is a 'Newsfeed Posts' section titled 'School Jumper Orders' with a link to order school jumpers and a photo of various jumpers.

Alerts - These are clickable notifications of items that require your action.

Newsfeed - These are posts made by the school to communicate school information to you. You can scroll through any available posts and they will remain accessible for as long as the school has determined. They will generally display with the most recently dated post at the top however, posts set as 'Priority' by the school will show first regardless of the date.

Child Information - You will see each child you have at the school listed and clickable items that give you further details i.e clicking 'View Academic Reports' will take you to your child's available reports

Menu options - Across the top of the screen you will see a series of icons that open up menus for additional information you may require to access from time to time i.e. access to placing a canteen order, access to viewing upcoming event information etc.

Menu Icons

The Home icon can be clicked at any time to take you back to the **Home screen** in Compass.

The Calendar icon will take you to view the available **Calendars** i.e. school events, your child's schedule etc.

The Pencil icon opens the **Teaching and Learning menu** from which you can select to view all the Learning Tasks assigned to your child/children.

The Grid icon will open the **Organisation menu**. Here you can access the Events page and also the Course Confirmation page to pay school fees.

The People icon is the **Community menu**. Here you can book parent teacher conferences (when available). You can also access any School Resources made available from this menu.

The Star icon opens the **Favourites menu**. This contains links to useful websites the school recommends.

The Cog icon gives you access to the **Tools menu**. Here you can opt to change your password, view your payment history and update your details.
